Earn four (4) hours of continuing education credit by successfully completing this class.

### Teacher Bio: Wade Hadaway, District Technical Representative, Ruud

Wade is the Ruud District Technical Representative (DTR) who works with Ruud distributors and contractors to provide training and technical support in the southeast. Wade believes that training and education are integral to the future of the HVAC industry. Wade is no stranger to Ruud products as he honed his HVAC skills as a Ruud service technician and installer in the Metro Atlanta area. Prior to joining Ruud, Wade was a full-time air conditioning technology instructor at Chattahoochee Technical College in Marietta, Georgia; a position he held for 5 years. Wade joined Ruud in 2015 and was named the Ruud Trainer of the Year for 2016. He holds a Georgia Conditioned Air License as well as numerous industry certifications.

### Teacher Bio: Lou Vannicolo, District Technical Representative (NE Region), Ruud

Lou Vannicolo is the Ruud District Technical Representative (DTR) who works with Ruud distributors and contractors in the NE region including NYC, Philadelphia, and Baltimore to provide technical support and training. Lou has worked in the HVAC industry since 1980 after serving in the US Navy. An HVAC serviceman at heart, he has worked on all types of residential and light commercial equipment, taught at post-secondary schools, has provided distributor-level technical support for several other HVAC brands including Ruud and has been with the Ruud team since 2014.

To register, please visit the events calendar on our website or use the QR codes to the right. Please note you must register for part 1 and part 2. To receive the above education credit, you must attend both part 1 and part 2.
